

Are you registered to vote?

Voting is your democratic right as a citizen of the UK.

It is your choice if you want to exercise your right but you cannot have a say in the future of the UK if you do not vote.

You must first be registered to vote and you can do this in about 5 minutes online at:
gov.uk/register-to-vote

What are you waiting for?

Register NOW and have your say in your future and the future of the UK!
